Joint Council No 53

I am writing to endorse a wonderful service that you may find beneficial for you or your members. Aging with Grace is a comprehensive eldercare management company that I had the privilege of working with, both on a professional and personal level.

Many of us are facing situations that involve the care of our elderly loved ones, be it a parent, grandparent or someone close to us that looks to us for advice and support. It is often difficult to know where to turn for help with issues related to eldercare....Aging with Grace can help!

In caring for my own father, Patricia Grace made my family aware of a financial benefit that my father was eligible for through the Veterans' Aid & Attendance Benefit. The Eldercare Specialist directed us on how to secure this benefit and without her support, we would not have known that this existed.

As President of Joint Council I urge you to look into this service for the members of your Local. I know that personally my family found that Aging with Grace was invaluable as we worked to secure the best care for my father.

Sincerely,

A handwritten signature in cursive script that reads "Bill Hamilton".
