Dear Patricia,

I've written this recommendation of your work to share with other LinkedIn users.

"It is with great pleasure that I write this recommendation on behalf of Patricia Grace, Founder & CEO at Aging with Grace, LLC. During my affiliation with Patricia, I have found her to be most professional in that she has been an advocate on behalf of seniors across the country. Patricia's understanding of aging policy, programs and research is phenomenal, and her ability to translate that understanding to is far reaching.

Most recently, I have consulted with Patricia on ways to bolster our senior center's visibility. Her advice is intellectually sound and pragmatic. She has promoted our website and has driven traffic to it so that seniors can increase their awareness of the services available to them. Additionally, Patricia has created a podcast to promote senior and aging related issues that I and other colleagues have come to rely upon. These are all examples of the passion she possesses about the aging network.

Patricia has established a reputation as a professional par excellence, and I consider myself blessed to have her in my professional circle!"
